The Hospitality Transfer Option prepares students to transfer to the University of Massachusetts Amherst's Isenburg School of Management as a third-year Hospitality and Tourism Management major. Career opportunities in this fast-growing industry exist in such diverse sectors as travel and tourism, lodging, the restaurant industry, recreation and leisure, gaming entertainment, and conference and meeting planning.

Upon graduating from this program, students will be able to use generic business skills as well as functionally based hospitality industry skills to define relationships between situations and understand professional terminology and concepts within the industry. Students will use mathematics and a business-oriented approach to identify, define, respond to and evaluate problem resolutions to global industry problems; understand the current ethical and social issues in the hospitality industry; and communicate effectively with colleagues and customers using a variety of information resources.
