

## WEBMASTER CERTIFICATE – N055

Program Information Contact: Melinda Hawkes, 552-2306, [mhawkes@hcc.edu](mailto:mhawkes@hcc.edu)

Online Information Contact: Gloria DeFillipo, Dean of Distance Education; 552-2236;  
gdefillipo@hcc.edu

E-Institute: <http://webtide.hccd.edu> Courses in red are not available online.

The Webmaster Certificate prepares students for careers in Website development and management in a diverse range of companies, both large and small. Students are dually trained in both technological and design aspects of site development. They learn how to set up and maintain a web site as well as the creative techniques for making it visually attractive. Credits earned in the Webmaster Certificate are completely transferable to the Webmaster Option.
